

Purchasing Required DBSync Connectors

1. Go to www.mydbsync.com and register using the 'Register Link' on the top right corner of the page.
2. To purchase Adapters, go to www.mydbsync.com and click on **Customer Login**. Enter your **Username** and **Password** and click **Sign in**. Then, click on '**Buy Now**'. Click on **Process Templates** link from the top menu. **Note:** If you have already purchased the adapters then you need not follow these steps.
3. You will be presented with a list of various solutions/adapters available for DBSync Application. Popular tab displays only the popular adapter and the rest of the adapters are available under All. Select any Solution by clicking **Add** Button In-front of the Adapter. Adapters will be added in the **Shopping Cart**.
